**Habitat's "Framing the Future" raises over \$13,000**

**Kennebunk, ME** — Habitat for Humanity of York County's "Framing the Future" on June 13<sup>th</sup> at the Nonantum Resort raised over \$13,000 which will support Habitat's affordable housing mission in York County. Over 100 persons attended the event which featured music by Lisa Mills, Jim O'Neill and Byon Yeatts, donated artwork and gift certificates from local businesses and individuals. The top Silent Auction item was 4 club level tickets to a Red Sox game. Of major interest were items repurposed by twenty-five artists, crafters, and DIY'ers who donated their time and talent to repurpose items from the Habitat ReStore in Kennebunk.

None of this would have been possible without generous sponsors, donors, re-purposers, and volunteers. Habitat would like to thank the Nonantum Resort for hosting the event, Lisa Mills and friends who supplied the music, and dessert from Kitchen Chicks and Russo Italian Bakery. A major thank you to sponsors for the event: Kennebunk Savings Bank, the Nonantum Resort, Town and Country Credit Union, Garrett Pillsbury Plumbing and Heating, Moody's Collision, John Codman, and Hank and Elisa McCaffrey. Thank you to all who attended for your support, and for helping to make our first annual "Framing the Future" fundraiser a successful event and a wonderful community gathering.

Habitat has many opportunities to volunteer on the Springvale and Limerick Build, at the ReStore, or assisting with weatherization projects. Anyone interested in participating or donating to Habitat is encouraged to call the Habitat office at 985-4850 or visit the website at [www.habitatyorkcounty.org](http://www.habitatyorkcounty.org).
